The American Neurological Association Call for Papers

The 114th Annual Meeting of the American Neurological Association will be held at the Sheraton Hotel, New Orleans, Louisiana, beginning at 8:30 AM Monday, September 25, and ending at 1:00 PM Wednesday, September 27, 1989.

1. Authors need not be members of the American Neurological Association nor be sponsored by a member. All are welcome to submit abstracts. Acceptance will be based entirely upon quality, without consideration as to status of membership in the ANA or type of presentation. Poster sessions will be expanded; therefore posters are encouraged.
2. An abstract, not exceeding 200 words in length, double-spaced, should be submitted to the Program Chairman. *Deadline for receipt of abstracts is March 3, 1989.* Please spell out all abbreviated terms at first use or, if many abbreviations are used, attach a separate sheet listing spelled-out abbreviations. No continuation page, illustrations, or tables are to be included. An original and 10 copies must be submitted. Abstracts must report work not presented or published prior to the meeting. Additional forms may be photocopied.
3. Abstracts are solicited on the following topics:
 - A. Behavioral neurology
 - B. Cerebrovascular disease
 - C. Dementia and aging
 - D. Degenerative diseases

- E. Epilepsy
- F. Headache and pain
- G. Movement disorders
- H. Neuromuscular disease
- I. Neuroscience
- J. Neuroimmunology
- K. Neurooncology
- L. Neuroophthalmology
- M. Neuropharmacology
- N. Neurorehabilitation
- O. Neurovirology
- P. Trauma/injury
- Q. Other

Authors are asked to indicate the specific topic in the box provided on the abstract form. Please use the *letter* designation.

4. The time allowed for presentations from the platform and posters may vary according to the material presented and needs of the session. Authors will be notified by the chairperson.
5. *Annals of Neurology* is the official journal of the American Neurological Association. All papers presented at the annual meeting must be submitted to the Editor for consideration by the Editorial Board of the *Annals*. Authors not wishing to have their papers considered by the *Annals* must obtain a release in writing from the Editor before submitting them for publication elsewhere.

Send abstracts and correspondence to:
